# Meritor – “the **Suspension Experts**”

**A New Comprehensive Range of Premium Quality Air Springs from Europe's Leading Manufacturer and Aftermarket Supplier of Axle, Suspension and Braking Systems.**

- A premium quality range of Meritor Air Springs, building on the traditional ROR trailer range, to cover all the major European commercial vehicle applications providing more than 90% of truck, trailer and bus parc coverage.
- Consisting of over 200 part numbers the range contains complete assemblies, service assemblies and bellows. Complementary to this range are limited ranges of the main piston spare parts and fitting kits.
- Supported by a unique catalogue, containing not only vehicle application detail and comprehensive cross reference data, but also a numerical list of part numbers with individual line drawings and relevant dimensions to make part number identification and selection easier for the user (Catalogue reference MPN1072.2).
- Market competitive prices.
- Each Air Spring is permanently marked with the Meritor brand name, Meritor Logo and Meritor part number to allow instant part identification both on and off the vehicle.

**“Meritor is the quality brand for Commercial Vehicles – Parts and Service on which you can rely”**
